About Our Book Lists

At Spratton Hall, we believe that the use of high quality books within the reading curriculum is of fundamental importance when engaging and supporting children to become motivated and independent readers. If children enjoy reading, they read more frequently, which in turn helps to develop their reading skills so that they become more accomplished readers.

Using the expertise of the Centre of Literacy in Primary Education, as well as the knowledge and experience of our Pre-Prep teachers, our booklists highlight some of the best children's literature available. By sharing our book lists with you, we are enabling parents to select well-known and much-loved books to inspire their children as readers and provide them with positive and memorable reading experiences.

We also recommend visiting the Book Trust website – www.booktrust.org.uk The Book Trust is committed to starting children on their reading journey and supporting them throughout. During the autumn term every child in Reception receives a 'Book Time' pack, from the Book Trust, containing a much loved children's story. Whether your child enjoys fantasy stories, non-fiction books, poetry, humorous or adventure stories, the Book Trust website contains a 'Book Finder' feature which allows you to discover a whole host of age related book titles.

We hope you enjoy exploring our book lists, which can be found on each of the relevant year group pages. Please also remember that the Pre-Prep teachers are always happy and willing to provide further guidance, should you need it.
