

SPRATTON HALL

Dear Old Sprattonian

Old Sprattonians' Association

I write to you as the Vice-Chair of Governors at Spratton Hall and as a former pupil in the 1950s, just a few years after 'KC' and Joan Hunter founded the school in 1951. In this, the school's 70th anniversary year, I have been reflecting upon just how much the school has changed over those 70 years – KC himself would have been so very proud to see the school absolutely thriving, full of happy and successful girls and boys.

In the years after I left Spratton, I was very pleased to support the *Spratton Hall Old Boys Association* (SHOBA) in order to maintain contact with a network of former friends and to support the school further. I am delighted to hear that the now renamed *Old Sprattonians' Association* is flourishing once more and that the Headmaster, Simon Clarke, and the Registrar, Mrs Sarah Church, have been busy expanding the alumni network.

I feel quite sure that most, if not all, former girls and boys, will have fond memories of their time at Spratton. I certainly have. Many former pupils have taken the opportunity to write or revisit the school and it has been interesting to hear about their progress in further education, in their careers and in their family lives.

Sadly, the school records up until the early 1990s have been largely lost. We hope to put that right. Even a little more recently, there are many gaps in the alumni database held by the school. It is my sincerest hope that those receiving this letter will assist in helping the school fill in those gaps. You can do this by registering yourself into OSA (Old Sprattonians' Association) and by sharing this letter with any other Old Spratts with whom you are in touch. You and they can register with OSA in any of these ways:

1. Complete the alumni online registration form found on the school's website.
2. Email your contact details and years you attended the School to our Registrar, Mrs Sarah Church on registrar@sprattonhall.com
3. Complete the form below and return it to the school

All those on our database receive an *Old Sprattonians'* newsletter at the end of each term, imparting news and updates from the school, plans for future developments and news from Old Spratts themselves. There are very occasionally other mailings, such as details of special events or important pieces of news. We also now have new *Old Sprattonians' Association* social media pages on Facebook, Twitter and Instagram – please do visit them @oldsprattonians, then 'like' and 'follow'!

I very much hope that all Old Spratts not yet on the OSA database will join and benefit from hearing more about the school and perhaps reconnect with old friends.

With best wishes to you all,

Robin Green
Vice-Chair of Governors
