A STEM Family Challenge is an exciting and engaging after-school event designed to raise awareness of STEM (Science, Technology, Engineering and Maths) subjects and show how rewarding a career within these industries can be.

We would like to invite pairs (consisting of 1 Year 6 or Year 7 pupil plus 1 adult) to use problem solving, communication and teamwork skills to participate in a competition consisting of fun hands-on activities - no prior STEM knowledge necessary!

The DT challenge will start at 4.00pm, followed by a BBQ at BAFs Pavilion and will finish by 8.00pm.

***Jerwood School of Design, Oakham School,
Kilburn Road, Oakham LE15 6QL***
